WEBSITE: John English showed the new website on TV. He showed all the new changes. When you click on the date of a particular event it will take you to the website of the event. It also shows the monthly minutes (actually several months back if you have missed some).

DINNER RIDES: We start our weekly rides in April. We won't have a sign up sheet. When we show up at the ride we will decide where we are going (there will be times someone has contacted Bev and she will let us know) via e-mail that they want to lead the ride. If no one has contacted her anyone who shows up can lead the ride to the restaurant of their choice. If you choose to stay for the dinner great, If you just want a great ride that's great too. We will meet at the same place we have met in the past (87 and I-435 in the McDonalds parking parking lot) at 6:30. The second week will be to Johnny's at 435 and Renner Road (same place we've met for a while). Please be aware that the Desoto River bridge will be closed for 90 days
