MONARCHS GAME: John handed out tickets for the Monarchs game. There are 28 people going next Wednesday (8/18/21). This will be in place of our weekly dinner ride. Meet at the ballpark. Dan let us know that Sporting KC has a game that night also so you may want to go a little early due to potential traffic issues.

SATURDAY RIDE: This Saturday (8/14/21) John is leading a ride to Easton KS to the place the Donner Party stayed and camped in Alcove Springs. You will have to travel about 4 miles on a small gravel road to make it all the way up. The group will leave at 8am from the "usual spot" (the McDonalds parking lot at 87 street and 435). The temperature is expected to be 83 degrees for the day so it should be a nice ride. We will be having lunch at the Hilltop Restaurant. If you want more details look at the website.

DINNER RIDES: Bev is always looking for leaders for our weekly rides. She also needs ideas for restaurants. Many of the places people have chosen are no longer open. If you have any ideas please let her know your ideas.

50/50: Bev won \$20
